

Nurturing Global Leaders

Working with us

DBS is a British International School and part of the Denla Group, a small family-run group of schools with a reputation for educational excellence in Thailand spanning over 40 years. DBS is located on Ratchaphruek Road in Nonthaburi Province on a pleasant 24 acre campus with ample sports facilities. The DBS culture is one of continuous improvement and you would be joining a dynamic, expanding school committed to the highest academic standards and a firm commitment to student and staff wellbeing.

Our perspective

DBS aspires to be a leading international school in the region by providing world class student outcomes that are accepted by the best universities globally. Our objective at DBS is to develop students as confident, skilled and well-rounded young people ready to take their place in the world or global society.

What is the work-life balance like?

We always prioritize work-life balance at DBS and we want to ensure the well-being and satisfaction of our employees. We strongly believe that the positive energy generated by work-life balance will propel our school to become one of Thailand's best international schools. We work hard and we play hard and staff have ample opportunities to explore Bangkok and the wider Kingdom of Thailand.

What is the teacher accommodation like?

New staff live on campus in the first year in a purpose built condo with a swimming pool and gym. After that, they receive a housing allowance and many choose to live in the local area with others opting for the hustle and bustle of downtown Bangkok.

Before coming to Bangkok, Thailand

We will begin the academic year in August, and all international staff must arrive in Thailand before the start of the new academic year. We will provide you with useful information and guidelines to help you enter Thailand. We guarantee that you will arrive safely with the full support of the Human Resources team.

What's the quality of life like

Our school is in the Nonthaburi area, which has plenty of green space and open areas for after-school activities like football, basketball, swimming, and tennis. In the evenings, our employees can use these facilities to relax from the day's work. The local area is undergoing rapid development with shops, eateries and supermarkets in walking distance.

What kind of teachers fit in at DBS?

We are delighted to welcome everyone who is interested to work with us.

DBS school is full of friendly and creative teachers. Our ideal teacher should display a kind-hearted, rational, evidence-informed approach to teaching. We always focus on the outcomes of our students so we need people who demonstrate dedication to our school.

Reasons to work at DBS?

A friendly environment

To get a better work life balance

Opportunities for career development

Being able to save money

Opportunity to learn a new language and learn about a new culture

A school committed to the professional development of its staff

What are the salaries and benefits?

We provide the accommodation, cost of the flights, visas, school lunch and medical insurance. Your salary will always be enough to live comfortably where you are, but how much you can save will depend on what you get paid, the cost of living and your lifestyle. There are many opportunities for tax-efficient saving in Thailand.
