

JOB DESCRIPTION - Teaching Assistant

St. Michael's International, a British School in the Anglican tradition, provides a quality primary education within a positive culture of excellence and a caring family community.

RESPONSIBLE TO: The Early Years Coordinator

JOB PURPOSE:

- To support teaching and learning in Early Years
- To support students welfare and pastoral care

Skills and attributes

- Native English language competency
- English language teaching certification e.g. TESOL, TEFL, CELTA
- Experience of working with primary aged children
- Confident IT skills

Specific Responsibilities: The Role of the Teaching Assistant is divided into five areas:

Standard 1: Professional Attributes contributing to the School as a whole:

- Support and promote school policies and school values
- Be a professional role model for colleagues and students
- Develop and maintain positive, professional working relationships with colleagues
- Provide effective, collaborative support for colleagues
- Be flexible and adaptable as required
- Liaise effectively but professionally with parents
- Promote a positive image of SMIS both within and outside school
- Review and develop your own professional practice

Standard 2: Professional Knowledge contributing to the school as a whole

- Actively seek and engage with professional development
- Understand the key factors that affect children's learning and progress
- Have sufficient knowledge and understanding of the subject/units being taught to support the progress of students
- Understand the objectives, content and intended outcomes for the learning activities you are involved in.
- Know how to use ICT effectively to support professional duties

Standard 3: Supporting the overall learning process

- Assist in preparing and maintaining a positive learning environment
- Contribute to planning and evaluation of lessons and units of work
- Observe and report on pupil performance
- Identify gaps in learning which hinder pupil progress
- Provide feedback to the teacher on pupil behaviour, attitude, changes in social groups etc...
- Contribute to maintaining the record keeping system
- Prepare, maintain and organise school and class resources

Standard 4: Supporting learning through targeted intervention

- Confident to deliver pre-planned one-off or series of lessons to individuals or small groups under the guidance of other professionals
- Support pupil's access to the curriculum through restructuring and rephrasing the teacher's instruction
- Use appropriate questioning techniques to extend and support learning or clear up misconceptions
- Provide for or direct students to select the most suitable scaffolds or support materials to enhance learning
- Model and explain appropriate language and vocabulary
- Use positive language, encouragement and specific praise where relevant

Standard 5: Supporting the pastoral development of pupils:

- Help with the care and support of all pupils within the school
- Support pupils in developing positive relations with others
- Contribute to pupil development of self reliance and self esteem
- Promote pupil's social and emotional development
- Support new students in adjusting to the SMIS setting
- Promote effective communication amongst peers and with adults
- Promote independence rather than over reliance on adult help
- Ensure pupils are maintaining school expectations supported through school values
- Uphold safeguarding and child protection procedures within school
